COMPANY PROFILE

Octavius Plantations Limited is a leading FMCG company established in the year 1984. The company began its operations with the export of Agri commodities and today it holds a prominent position in the market for its high-quality, sustainable and innovative products.

From a single product company to a multi-segment corporation. Its diverse interests include fast-moving consumer goods like **tea, coffee, spices, fruits, and medical herbs & plants.**

The Company owns one of the finest coffee plantations in the beautiful district of Coorg in Karnataka, growing the most excellent quality Arabica and Robusta coffee catering to the needs of Indian coffee exports to the Middle East, European and African markets. Our plantations are ably supported with curing and processing facilities with the latest technology. Apart from the coffee grown in the plantation, it procures premium coffees from other regions in Karnataka and Kerala.

Why Octavius?

"We grow it, pluck it, and process it for you to create a perfect cup of coffee."

Our artisanal coffees comprise the finest beans that are hand-picked, naturally fermented to maximize flavour and manually processed at our estates. To enhance the colour and flavour, the beans are soaked overnight and then washed in freshwater before it is slowly dried in natural light. The beans are then hulled and graded for size, shape, colour and density at the curing level. The beans are then graded, packed and are finally ready for dispatch.

Owing to many years of expertise at coffee cultivating, harvesting, roasting and storing, our specialty coffee division offers a remarkably wide range of coffees with a delightfully unique personality and taste profiles like Green Coffee Beans, Roasted Coffee Beans, Filter Coffee, Instant Coffee in the highest quality.

The company also procures tea from plantations in Tamil Nadu and Kerala which are further blended and packed essentially for exports. With its tea processing facilities at Cochin, the company caters to the tea export requirements.

Besides this, one of our group company in West Bengal bears a long historical legacy of tea production of more than 100 flourishing years.

Further to tea and coffee the company produces black pepper and ginger in its plantations and procures cardamom from the farmers in the region. These high-quality graded spices are then sold in the domestic market.

In addition to tea, coffee and spices the company has expanded its segment to popular fruits and medicinal plants grown in the Coorg region.

OUR PROMISE OF QUALITY

There has never been a time when we haven't strived for perfection, and in this process, we have been updating our techniques, our product range, and our quality, so that we can match up to the expectation bar set by our customers, if not being able to cross it. It gives us immense pleasure to mention that our products are of premium quality and are known for their rarity and purity and we deliver products of the highest quality.

CSR ACTIVITIES

At Octavius Plantations, we care, we believe in improving the living standards of the people associated with us and we take responsibility for doing so.

We ensure the eradication of adversities in the communities working with us for a better society.

We yearn to be acknowledged and valued as an organization that continually upholds its responsibility towards social, economic and environmental development.

Sustainable Farming- Rain Water Harvesting & Conservation

Water is the critical element for the survival of Coffee Plantations. Intensive cultivation practices have required us to initiate rainwater harvesting techniques and we have been successful in doing so by adopting simple harvesting methods like rainwater storage tanks which effectively uses the stored water for coffee farming and helps conserve rivers, streams and tank waters.

Care for our Workers

We provide subsidized food grains and have regular food and other necessary commodity distribution for our workers.

Education- Books & Stationary Distribution

We organize conventions of distributing notebooks and stationery items every year to the children of our garden and factory workers.

OUR VISION

Octavius Plantations Limited with offerings across food, beverages, retail and exports has emerged as a well-regarded brand. The company continuously aims to promote the Food and Beverage experience for the consumers.

Our portfolio encompasses a vast variety of products and is continuously growing with every passing year. The company's ambition to grow is secured on multiple strategic levels that keep us consistent & innovative and also vigilant towards the environment.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of Octavius Plantations Limited is pleased to present Management Discussion and Analysis Report covering performance for the year 2021–2022 and outlook for the future. The report contains future predictions for the Company’s business based on current scenario:

Nature of Business

At present, the Company is engaged in the field of producing and processing coffee and spices. Today, the Company enjoys a prominent position in the market which is due to high quality products produced and supplied by them.

Company operates in following segments of producing edible products:

- **Coffee**
- **Spices**

It has 70 acres of coffee plantation at Kushalnagar in Coorg district, growing Arabica and Robusta coffee. Apart from the coffee grown in its plantation, it procures coffee from local and the Chikkamagaluru planters and get the same processed in its facilities for meeting its export obligations.

The Company grows black pepper in its plantations and procure cardamom and ginger from the farmers in the region. The graded spices are sold in the domestic market.

Industry Structure and Developments

In India, coffee is produced in territories that gets 2,500-4,000 mm rainfall for more than 100 days, accompanied by a perpetual dry period of a similar duration. Coffee-growing regions in our country have diverse climatic conditions, which are suitable for the cultivation of different types of coffee.

India produces and exports the third largest volume of coffee in Asia after Vietnam and Indonesia, while Brazil dominates production and exports globally. And, the sixth-largest producer and fifth-largest exporter of coffee in the world.

Coffee is one of the popular hot beverages in India alongside tea. The production of coffee lies primarily in the hills of the southern region, of which Karnataka accounts for the highest yield. In Kannada (regional language in Karnataka), the traditional name for coffee was “Boondh Bisneeru”, literally meaning 'beaned hot water'.

The coffee which remains is consumed primarily by South Indians who are known to have concocted what is called 'Kaapi'- the regional phonetic interpretation of 'coffee'. It is a blend of frothed and boiled milk with the decoction of finely brewed coffee powder in a traditional Indian filter made of out of two cylindrical metal cups. Outside the country, the Indian filter coffee is referred to as drip brew coffee.

Filter coffee became popular when Indian Coffee House – a café of the 1940s, run by the Coffee Board of India served it on their menu, thus becoming the drink of many Indians. There are about 400 chains of the Indian Coffee House across the country, following the first one in Jabalpur. The dawn of the 21st century saw establishments like Café Coffee Day, Barista, Costa Coffee, Starbucks among other major players of the coffeehouse market. Additionally, independent and regional outlets continue to emerge mainly in urban centers resulting in a highly fragmented coffee retail market.

India produces a wide range of spices and holds a prominent position in world spice production. Because of the varying climates - from tropical to sub-tropical to temperate-almost all spices grow splendidly in India. In reality almost all the states and union territories of India grow one or the other spices. Under the act of Parliament, a total of 52 spices are brought under the purview of Spices Board.

Opportunity, Threats, Risk and Concerns

While the economic downturn may negatively impact the speciality coffee growth curve – which was hitherto driven by the café culture and a desire to experience new offerings – we do see a shift in Roasters' preference towards reliable coffee companies. We continue to diversify our portfolio and seek growth opportunities in major consumption and growth markets. Our pursuit to gain substantial market share in all key geographies will be backed by continuous product development efforts and relentless pursuit of customer centricity.

The ecosystem from the farm to the cup is evolving at a rapid pace to address this cultural shift; an evolution that is getting further catalysed by the entry of international players. Apart from this, a number of home grown entrepreneurs are emerging to help spread the coffee culture and transform the entire coffee experience in homes through provision of freshly roasted coffee beans, a range of distinguished varieties of coffee as well as coffee brewing equipment.

The impact of this is expected to be particularly visible in North India, which has not been a traditionally coffee drinking market like South India.

Coffee consumption has only entered the urban, young demographic. For companies to be more profitable, they have to focus on their rural marketing applications to increase profitability.

Segment-wise or Product-wise Performance

As stated in Note No. 26 in Notes to Financial Statements for the year under review, the mainly the company had generated its revenue from the sale of coffee and coffee beans (Not Roasted) further some of the revenue had also been generated from trading of Pepper.

Internal Control Systems & their Adequacy

The Company has a proper and adequate system of internal controls. This ensures that all transactions are authorized, recorded and reported correctly, and assets are safeguarded and protected against loss from unauthorized use or disposition. In addition there are operational controls and fraud risk controls, covering the entire spectrum of internal financial controls.

The internal financial control framework has been designed to ensure that the financial and other records are reliable for preparing financial and other statements and for maintaining accountability of

assets. In addition, the Company has identified and documented the risks and controls for each process that has a relationship to the financial operations and reporting.

The Company also has an Audit Committee; comprising 3 (Three) professionally qualified Directors, who interact with the Statutory Auditors and Management in dealing with matters within its terms of reference. This Committee mainly deals with accounting matters, financial reporting and internal controls.

Outlook

Coffee Market is growing at a CAGR of 5.32% during the forecast period (2020 - 2025). Coffee is one of the world's favorite beverages and a major source of caffeine, coffee continues to be an essential factor in society's daily routine.

- The global coffee market is anticipated to reach US\$ 134.25 billion in 2024. Factors such as increasing out of home coffee consuming population, rapid urbanization, rising e-commerce retail sales, accelerating disposable income, increasing instant coffee preferences in emerging economies are expected to drive the market. However, the growth of the industry would be challenged by weather uncertainties and retails consolidations.
- The consumers prefer Nespresso coffee machines, coffee brewers, and drip coffee makers to prepare coffee at home. South America is the largest producer of Coffee in the world whereas, Europe being the largest producer of high-quality coffee. Germany, Italy, France, Spain, and the United Kingdom are the dominating coffee consumers in the European region.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

OCTAVIUS PLANTATIONS LIMITED

(Formerly known as Rubal Leasing & Holding Limited)

Report on the Financial Statements

Opinion

I have audited the accompanying financial statements of Octavius Plantations Limited formerly known as Rubal Leasing & Holding Limited (the “Company”), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income) and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the “financial statements”).

In my opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its loss and total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Emphasis of Matter

We draw attention to the:

Note 42 to the financial statements, which describes the management's assessment of the impact of the outbreak of Coronavirus (Covid-19) on the business operations of the Company. The management believes that no adjustments are required in the financial statements as it does not impact the current financial year, however, in view of the various preventive measures taken (such as lock-down restrictions by the Government of India, travel restrictions etc.) and highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, for the year ended March 31, 2022 and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matters	How was the matter is addressed in Audit
Uncertain tax positions Direct and Indirect Taxes	
<p>The Company has uncertain tax matters pending under direct tax and various indirect tax laws. The matters involve significant judgement to determine the possible outcome based on which accounting treatment is given to the disputed amount.</p> <p>These matters are considered to be key audit matter given the magnitude of potential outflow of economic resources and uncertainty of potential outcome</p>	<p>Our Audit Procedures include the following.</p> <ul style="list-style-type: none"> - Obtained details of uncertain tax position and gained understanding thereof; - Obtained details of completed tax assessments and also demands raised; - Read and analysed relevant communication with the authorities; - Considered the legal advice obtained by the management on possible outcome of the matter. - Discussed with senior management and evaluated management's assumptions regarding provisions made; - Assessed the disclosures in accordance with the requirements on "Provisions, Contingent Liabilities and Contingent Assets".

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report including Annexure's to the Board's Report. Corporate Governance and Shareholder's Information but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other, we are required to report that fact.

We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the IND AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management or the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial statements made by management and Board of Directors.

Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143 of sub-section (11) of the Companies Act, 2013, we give in the "Annexure-B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Octavius Plantation Limited Formerly known as Rubal Leasing & Holding Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of OCTAVIUS PLANTATION LIMITED (“the Company”) as of March 31, 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Auditor's Report (Contd.)

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls

Over Financial Reporting a company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 14 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Octavius Plantations Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- 1) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company does not have any intangible asset. The company has shown the same in the financial statement for the same in the particulars of intangible assets.

The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

- (C) The Company does not own any immovable properties as disclosed in Note 3a on Property, Plant and Equipment to the financial statements except for self-constructed immovable property (buildings) on land which is taken on lease and disclosed as Property, Plant and Equipment in Note 3a to the financial statements, for which the lease agreements are in the name of the Company. Therefore, the provisions of Clause 3(i)(c) of the said Order are not applicable to the Company.
- (D) The Company has not revalued any of its Property, Plant and Equipment (including right- of-use assets) and intangible assets during the year. The question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment (Including Right of Use assets) or intangible assets does not arise.

Auditor's Report (Contd.)

(E) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed have been appropriately dealt with in the books of account.

3) The Company has made investments, granted secured or unsecured loans or advances in nature of loans, or stood guarantee, or provided security to any parties.

iii)(a) The rate of interest and other terms and condition of the grant of such loan are, in our opinion, prima facie, not prejudicial to the company's interest. However the company has granted unsecured loans or advances in the nature of loans to employees. The aggregate amount of granted during the year was Rs. 0.19 Lakhs. The Balance outstanding as at 31st March 2022 was Rs. 0.31 Lakhs

iii)(b) There is no overdue amount remaining outstanding as at the year-end. According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has granted both short term loans to different companies, firms or other parties. The year-end balance of total loan granted either short or long term is Rs.1,168.85 Lacks

iii)(c) During the year the company has not taken any unsecured loan from different companies and Banks. The company is currently availing a bank overdraft facility from bank which is shown as short-term borrowings in the financial statement. The balance outstanding of the overdraft account as at 31st March 2022 is Rs. 266.01 Lacks In respect of said loan and interest thereon, there is no overdue amounts

Therefore, the reporting under clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e) and (iii)(f) of the Order are not applicable to the Company.

4) The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

5) The Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under Sections 185 and 186 of the Act. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.

6) The Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Act and the Rules framed there under to the extent notified.

Auditor's Report (Contd.)

7) The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause 3(vi) of the Order is not applicable to the Company.

8) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, duty of customs, labour welfare fund, professional tax, cess, goods and service tax and other material statutory dues, as applicable, with the appropriate authorities.

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of goods and service tax and duty of customs which have not been deposited on account of any dispute. There has been dispute with income tax for increase in net profits. The particulars of dues of income tax for various assessment year as at March 31, 2022 which have not been deposited on account of a dispute, are as follows:

Nature of the statute	Nature of dues	Amount (Rs. In Lacks)	Period to which the Amount Relates	Forum where Dispute is pending
The Income Tax Act, 1961	Income Tax	1.86	AY 2012-13	No Appeal has been filed
The Income Tax Act, 1961	Income Tax	109.87	AY 2013-14	No Appeal has been filed
The Income Tax Act, 1961	Income Tax	38.19	AY 2017-18	No Appeal has been filed
The Income Tax Act, 1961	Income Tax	1.57	AY 2020-21	No Appeal has been filed

1) According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

2) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any bank as at the balance sheet date. As the Company does not have any loans or borrowings from any financial institution or Government, nor has it issued any debentures as at the balance sheet date, the provisions of Clause 3(viii) of the Order, to this extent, are not applicable to the Company.

3) In our opinion, and according to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer and further public offer (including debt instruments). The money raised by way of term loans have been applied for the purposes for which they were obtained.

Auditor's Report (Contd.)

- 4) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- 5) According to the records of the Company examined by us and the information and explanation given to us, the Company has not received any whistle-blower complaint during the year and upto the date of this report.
- 6) According to the information and explanations given to us, no report under section 143(12) of the Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- 7) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- 8) The Company has entered into transactions with related parties in compliance with the provisions of Section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18, Related Party Disclosures specified under Section 133 of the Act. Further, the Company is not required to constitute an Audit Committee under Section 177 of the Act, and accordingly, to this extent, the provisions of Clause 3(xiii) of the Order are not applicable to the Company.
- 9) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- 10) The Company has not entered into any non-cash transactions, within the meaning of Section 192 of the Act, with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- 11) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

OCTAVIUS PLANTATIONS LIMITED

Notes forming part of the Financial Statements

1) Nature of Operation

Octavius Plantations Limited ("the Company") is engaged in the production, trading and distribution of Coffee. The Company has business operations mainly in India. The Company is a limited company incorporated and domiciled in India and has its registered office at 54/2, Hanuman Lane Connaught Place, New Delhi. The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated

2) Significant accounting policies

a) Accounting convention

The financial statements are prepared under the historical cost convention, on the accrual basis of accounting in accordance with the Generally Accepted Accounting Principles ('GAAP') in India including the accounting standards specified under section 133 of the Companies Act, 2013 (the 'Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). These financial statements have been prepared on a going concern basis and the accounting policies have been consistently applied by the Company.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Revised Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle within 12 months for the purpose of current – non current classification of assets and liabilities.

b) Use of estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected

c) Expenditure

Expenses are accounted for on the accrual basis and provisions are made for all known losses and liabilities.

d) Tangible fixed assets

Tangible assets are stated at cost of acquisition or construction including any cost directly attributable to bringing the assets to their working condition for their intended use and net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs related to an item of Property, Plant and Equipment are recognised in the carrying amount of the item if the recognition criteria are met. Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognised immediately in the Statement of Profit and Loss. Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Profit and Loss.

Expenditure incurred on assets which are not ready for their intended use comprising direct cost, related incidental expenses and attributable to borrowing cost are disclosed as Capital work in progress.

e) Intangible fixed assets

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are recognised if and only if it is probable that the future economic benefits that are attributable to the assets will flow to the Company.

f) Depreciation and amortisation

Depreciation and amortisation is provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets, taking into account the nature of the assets, their estimated period of use and the operating conditions. The depreciation/ amortisation charge for each period is recognised in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset.

The management estimates the useful lives (in years) of the fixed assets as follows :

Asset Category	Estimated useful lives applied by the Company
Leasehold Land	Over the period of lease
Building	5-20 years
Plant & Machinery	3-15 years
Office Equipment's	3-10 years
Furniture & Fixture	3-10 years

OCTAVIUS PLANTATIONS LIMITED

Notes forming part of the Financial Statements

g) Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost and is accordingly reversed in the statement of profit and loss.

h) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

l) Inventories

Inventories are valued as follows:

Inventories are stated at lower of cost and net realizable value.

Raw Materials

Raw material, finished goods, packing materials and traded goods cost includes cost of purchases and other cost incurred in bringing the inventories to the present location and condition. Cost is determined using weighted average method.

Work-in-progress and finished goods

Work-in-progress and finished goods cost comprises of raw material, direct labor, other direct costs and related production overhead. Cost is determined using weighted average method. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Consumables, Stores and spare parts

Lower of cost or net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

J) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of Goods

Sales are recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract and are recognised net of trade discounts and taxes.

Sale of Service

In contracts involving the rendering of services, revenue is recognised as and when services are rendered, as per terms of agreement with customers and are recognised net of taxes.

Export Incentive

In case of export of services made by the Company as a service provider, export benefits arising from Income from Duty drawback and Merchandise Exports from India Scheme ('MEIS') are recognised on net foreign exchange earned by the Company during the year, only to the extent there is certainty that such income shall be received in the future.

OCTAVIUS PLANTATIONS LIMITED

Notes forming part of the Financial Statements

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Government subsidy

Government subsidy is recognised on accrual basis.

K) Employee Benefits

Short term employee benefits

All employee benefits payable/available within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus, etc., are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

Post employment benefits

Defined contribution plans

The Company makes contribution to statutory provident fund in accordance with the Employees Provident Fund and Miscellaneous Provisions Act, 1952. which is a defined contribution plan. The contribution paid or payable is recognised as an expense in the period in which the services are rendered by the employee. The Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution.

Defined benefit plans

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit scheme is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary at each Balance Sheet date, using the Projected Unit Credit Method, which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognised in the Statement of Profit and Loss.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government Securities as at the Balance Sheet date.

Other Long-term employee benefits

Benefits under the Company's leave encashment policy/compensated absences constitute other long-term employee benefits. The liability in respect of compensated absences is provided on the basis of actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method. Actuarial gains and losses are recognised in the Statement of Profit and Loss.

L) Borrowing costs

Borrowing costs that are attributable to the acquisition and/or construction of qualifying assets are capitalized as part of the cost of such assets, in accordance with notified Accounting Standard 16 "Borrowing Costs". A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. Capitalization of borrowing costs is suspended in the period during which the active development is delayed due to other than temporary interruption. All other borrowing costs are charged to the statement of profit and loss as incurred.

OCTAVIUS PLANTATIONS LIMITED

Notes forming part of the Financial Statements

M) Foreign exchange transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency, are reported using the exchange rates that existed when the values were determined.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

N) Taxation

Income tax expenses comprise current tax (i.e. the amount of tax for the period determined in accordance with the Income tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of the timing differences between the accounting income and taxable income for the period). The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in the future. However, where there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each Balance Sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

O) Earnings per share

The basic earnings per share are computed by dividing the net profit / (loss) attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share are computed using the weighted average number of equity and dilutive potential equity shares outstanding during the year, except where the results would be anti-dilutive.

P) Provisions and contingent liabilities

A provision is recognised when the company has a present obligation as a result of a past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimates can be made of the amount of the obligation.

A disclosure is made for a contingent liability when there is a:

- a) possible obligation, the existence of which will be confirmed by the occurrence/non-occurrence of one or more uncertain events, not fully within the control of the Company;
- b) present obligation, where it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation;
- c) present obligation, where a reliable estimate cannot be made.

Where there is a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Q) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased asset are classified as operating leases. Operating lease charges are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

OCTAVIUS PLANTATIONS LIMITED

42 Uncertainty caused by the Covid-19 pandemic has led to the short-term slowdown in the business operations, however the Company is experiencing pick-up of its operations post lock down. In preparation of these Financial Statements, the Company has taken into account internal and external information for assessing possible impacts of COVID-19 including impact on its business operations, liquidity, financial position and recoverability of its assets and has concluded that there are no material adjustments required in these Financial Statements.

However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these Financial Statements. The Company will continue to monitor any material changes to future economic conditions.

The Company had incurred losses in the current year which has impacted the net-worth of the Company as of March 31, 2022. Having regard to the approved business plans and letter of support from the Group Company, the Financial Statements have been prepared on going concern basis.

43 Previous year's amounts have been regrouped/ reclassified wherever necessary to correspond with the current year's classification/ disclosure.
